COMING TOGETHER AS ONE, THEY SEEK OUT THEIR TREASURE!!

SERIOUSLY?
BUT WHY IS IT
SO EASY TO
SPOT...?

THE
RARETY IS
KEY!

...IS
THAT...

DOESN'T ONLY
CONSIDER HOW
HARD IT IS TO FIND
ONE!

THE RARETY, AS
JUDGED BY THE
ASSOCIATES...

THAT ASSOCIATE
IS ALSO IN THAT
CATEGORY.

HOW DO YOU
THINK WE CAN GET
TO IT IN THIS POOL
OF MAGNOLIA...?

THE DIFFICULTY OF
MINING IT... WHICH IS THE
PRIMARY CAUSE FOR ITS
RARETY IN THE MARKET,
ALSO PLAYS AN IMPORT-
ANT ROLE.

Japanese, Rarity, &

A well-known fact, Japanese
being rare metal. As it is found
deep underground, making it
difficult to mine, it's hence also the
"Crownstone of the Earth".

OH
YEAH.

THAT'S
WHAT THE
EMER-
GENCY
DEVICE IS
FOR,
IDOT!

EH...WELL, HE
MIGHT'VE DIED
IF I DIDN'T...

WHY'D
YOU HELP
HIM?

OK,
THAT'S
GOOD,
THEN.

THA...
THANKS.

IT WAS
TOO SUREP. I
WOULDN'T HAVE
BEEN ABLE TO
PRESS THE
BUTTON IN
TIME...

...NO...

YOU DID
SAVE ME,
BUT... DAD
WAS
THAT... THE
BOOM IN
THE SKY?

YEP...

.....

EH...
DAD?
GOT?

WAAAA,
SAVED BY
THE KID,
BUT SOME
MINEA YOU
ARE!

YOU MIGHT
I'LL GET IT
BEFORE
YOU!

AH,
WHAT
THEY
THAT'S
DIRTY.

THAT
GRANDEN'LL
BE MONEY!

NOH...NOT
AGAIN!

!?

WE CAN'T EVEN
GET CLOSE TO
IT, LIKE THIS...

THAT
IS...

THAT'S THE
SLIGHTEST
CHANCE TO AC-
CIDENTLY MAKE
SWIFT AND
FLEXIBLE
MOVES!

THE
TRANSFORMATION
DOESN'T ALWAYS
PUT US AT A DIS-
ADVANTAGE.

SHI...
SHINO-SAN,
YOU'RE
AWESOME!!

BUT WHAT'S
THAT "POWER OF
TREASURES"??

THAT'S MY
REAL POWER
THAT TAKES ME
TO THE TREA-
SURE!

WATCH IT.

YOU
HAVE...I
KNEW IT
THERE'S
GUTS
HERE...

FUCK, IN
THERE
ANY
OTHER
WAY I
CAN GET
TO IT?

BUT WAIT,
ISN'T THAT
LUCA-KING'S
JOB?

HHMM,
NOW I HAVE
TO MAKE IT
WITH CAU-
TION...

HEH.

I PLANNED TO
TAKE THE WHOLE
THING, BUT I SUPPOSE
I'LL HAVE TO SETTLE
FOR A SMALL PIECE
OF IT.

THIS BRANSTEN
IS HEAVIER THAN
I THOUGHT.

IT'S HOT.

HAT IS IT
WRONG FOR
ME TO HAVE IT
FIRST?

FOR...
TRENDA...CAN'T
WANT DID YOU
JUST...!!

WAAH...

WAAH...

THAT'S
ONE
AWESOME
BLOW!

HAHA.

FOR REAL?
BUT, I STILL
CAN'T FIND THE
RARE METAL
VEIN!!

WHAT? IT'S
SLIPPING?

SHIT.

THE
PYROCLASTIC
FLOW IS
COMING. WHAT
SHOULD WE
DO? THERE'S
STILL TIME
LEFT, BUT...
